So come over alot this summer. OK?

# Barons Enjoy Doing Their Own Thing

I hope you're enjoying yourself this year. I don't really know you but I like you and wish I could get to know you better. Sometimes things come out the way you want them to. Have a great summer and maybe I'll see you around. All my love, John Nelson.

Jeannie, I'm really glad we had P.E. together we all had a blast you and all your different outfits. I wish you luck in everything you do, you're a nice person (alike).

Whether it's having lunch with the basketball team, dressing to suit your own style, participating in athletics, cheering for your favorite team, staging a skit before the entire school, or displaying artistic talents through poster painting, the students at Bonita Vista enjoy doing their own thing.

An individual can participate in the many opportunities available in high school life without feeling pressured or put down; he can achieve self-pride and satisfaction if he believes in himself. With so much available and waiting to be done it is a time to experience what is happening around us and get to know ourselves.

# Baron Spirit . . .

This year school spirit rose to an all time high, partly attributing to the formation of the "Rowdy Rooters", a cheering section designed to boost morale. At the football games many blue and gold shirts and hoarse voices could be found within the stadium. The crowds were so loud, other schools commented on Bonita Vista's spirit.

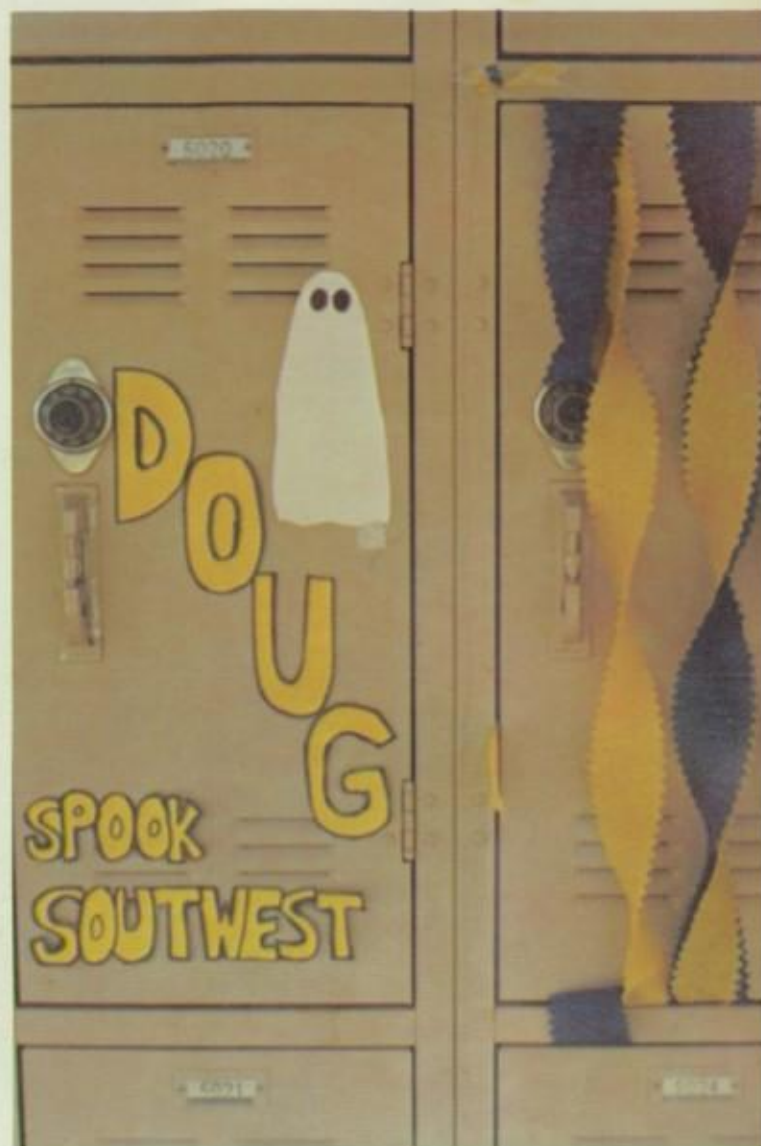

Other aspects of the increasing spirit could be found Friday mornings when athletes of all sports found their lockers decorated with surprises inside. This year the Baron mascot and cheerleaders never ceased to express their enthusiasm throughout the crowd. Also, they were involved in the support of the athletic teams. One example being the posters made for the teams to run through.

Perhaps the most memorable display of Baron spirit occurred before the football game between arch rival Hilltop High. Many students proved their spirit during an unforgettable toilet papering raid.

# Rises To The Occasion

Jeanine,  
 So a real  
 nice and funny  
 friend. So bad I  
 had you in P.E. only.  
 maybe next year.  
 Keep up the valley ball.  
 Love  
 Joe Linggum

Amid the extra-curricular activities and the social events at Bonita Vista, there was another important part of school life-academics. Whether it was reading, writing or arithmetic, it all came together six hours each day.

Academics played a vital role for every high school student. The testing which took place in mid-October gave results of where a student stood regarding his comprehension, vocabulary, and other areas of study.

Biology was always a favorite class. Working from the lab manual on an experiment or dissecting a crayfish always provided for new knowledge of an unknown subject area.

The Industrial Arts department was another interesting field of study. Many interested students took an active interest in graphic arts and other tangents of the course.

A new high point of the academic options available at BV was the LIFE program or Learning a Free Environment. One hundred fifty students from all grade levels participated in the experimental program whose main goal was to return students to a free and unhurried learning process.

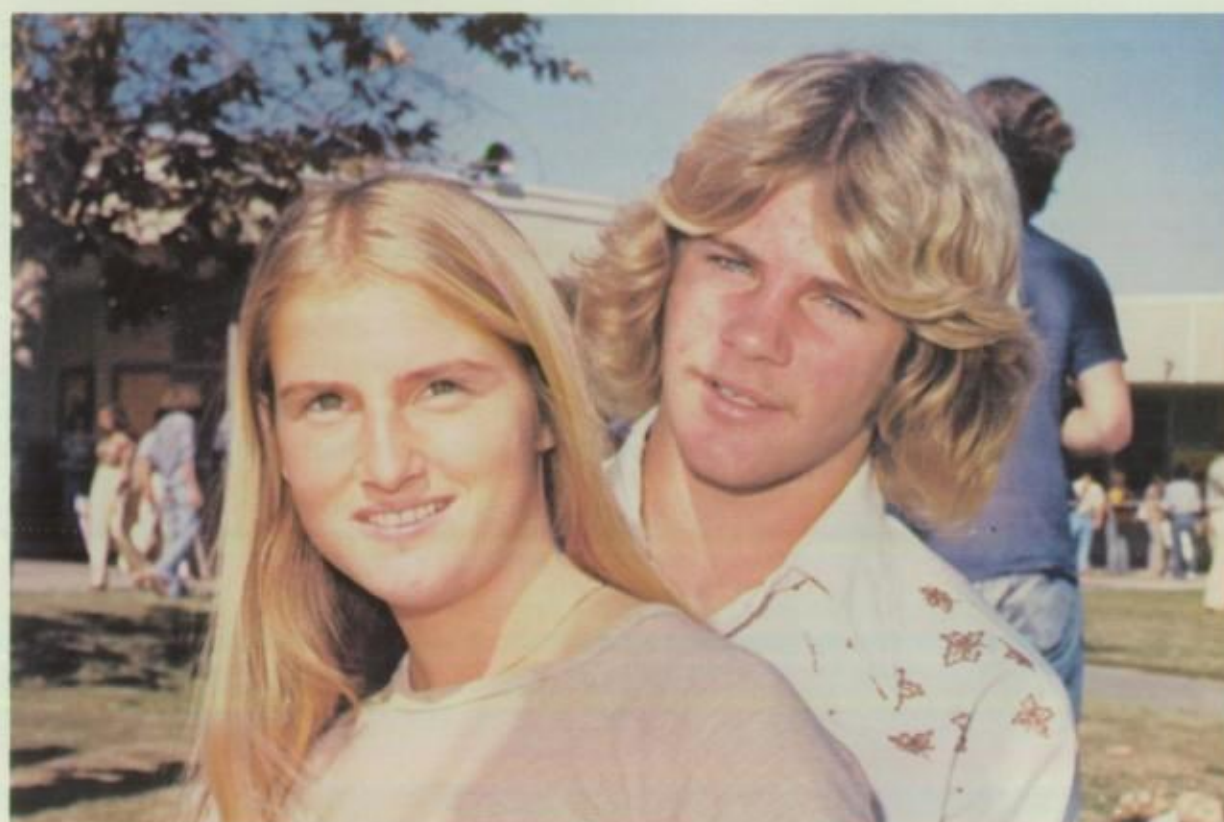

The school library was the source for many books and reference materials needed for a successful term paper, book report or essay.

Emotions of surprise, disillusionment, excitement, pressure, happiness and confidence are all mirrored in the expressions they portray.

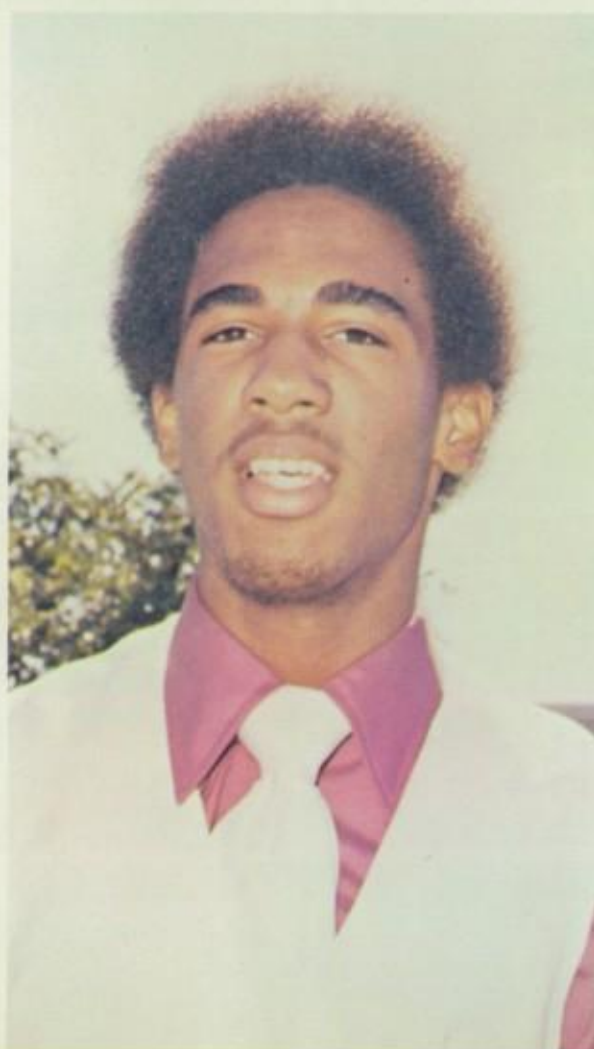

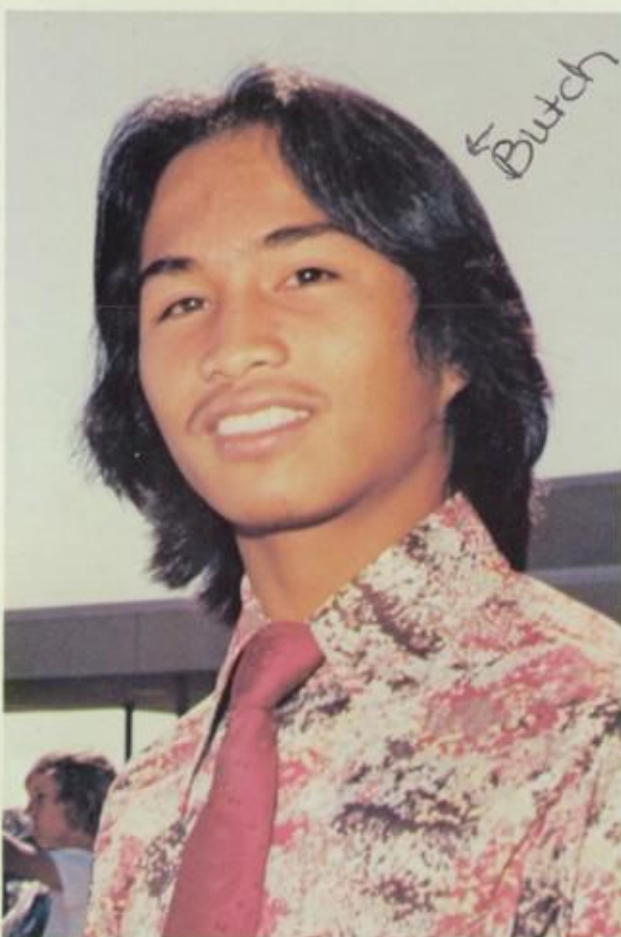

People of different backgrounds blend together to form a many-faceted collage of human characteristics. The barriers between cultures no longer exist when a universal language of expressions is the interpreter.

## Queen Crowned In

# Moment Of Tradition, Emotion

Homecoming Week activities were climaxed at the halftime show as the Bonita Vista Barons met the Southwest Raiders. Six beautiful girls, instead of the usual five, comprised the '76 court. They were driven around the field in Conestoga wagons, chauffeured by characters of the wild west. The girls were then escorted down a red carpet by last year's alumni. The announcer told of their interests and activities as the band and specialty corps played tribute. The girls were (opposite page, lower left continuing clockwise) Holly Davies, escorted by Mike Fulton; Gerry Cox, escorted by Jack Burns; Roslyn Green, escorted by Bruce Rosendahl; Maya Elrick, escorted by Bobby Shields; Tracy Price, escorted by Chuck Fox; and Sherrie Lithgow, escorted by Ken Johnson. When the candidates had been introduced, runners-up were announced, with Tracy Price being named first runner up and a happy, surprised Sherrie Lithgow as queen. After receiving flowers and crowning, the queen, the six excited girls agreed it was a night to remember always. It was a beautiful night as Homecoming '76 drew to a close.

# Foreign Exchange Students Prove

# Friendship Universal

Foreign Exchange Students added variety and culture to the Bonita Vista campus. They taught us that similarities mean more than differences. They came from all over the world and were hosted by families in Bonita or Chula Vista. The year passed quickly, and they left memories that will never be forgotten with their friends in America. Bonita Vista was very fortunate to have shared in the learning experience of these eight students: (upper left, clockwise) Massimo Crose-Italy, Elizabeth Sarmiento-Ecuador, Johanna Hoef-Germany, Erja Anslin-Finland, Inger Lise Jensbye-Denmark, Mrs. Slijk-advisor, Abel Gabriel Assis-Chile, Jan Rydle-Sweden, Sabine Sohlke-West Germany.

# Baron Band Again Proves Excellence

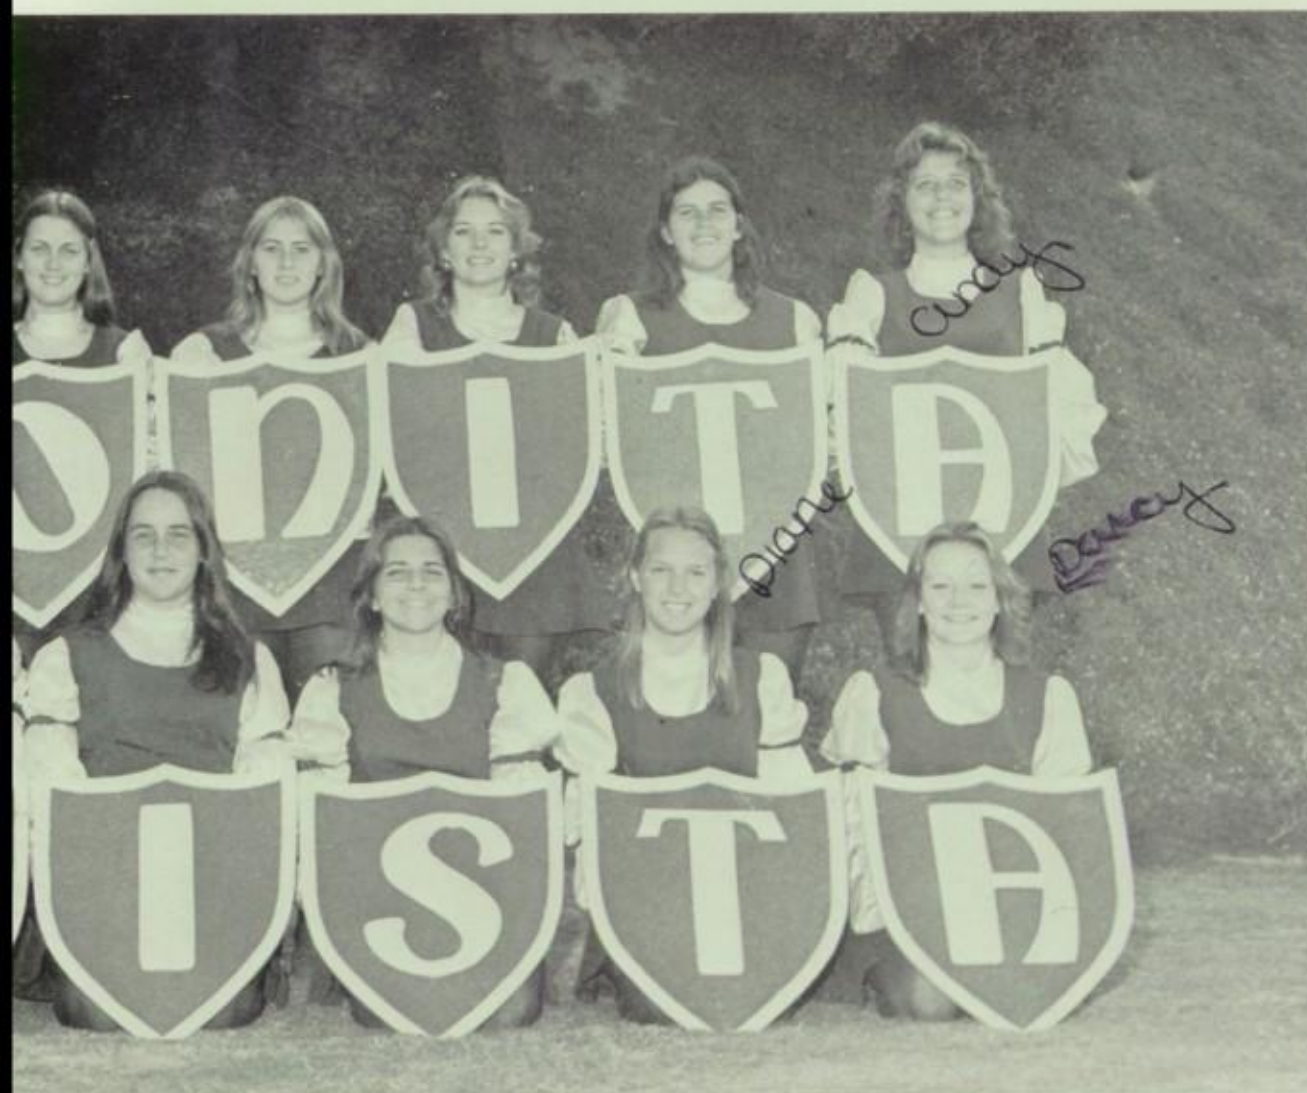

(Above left) The interest and patience with which Mr. Gee works brings excellent results. (Above, right) Drum major Ed Fuller is the bands spark of perfection. This summer Ed will be the first drum major, still in high school, to be teaching at major camps in the state. He is the California State's, the All-Western Band Review's, San Diego County's, and the SSC Disneyland's Champion Drum Major. Firsts this year came in the Autumn, Montclair, and 36th Annual All-Western Band Reviews and the Arrago High School and Southwestern Specialty Clinics Disneyland Competitions. (Left) The hours of practice depicted here produced many benefits. The band as a whole earned first place awards at the Bonitafest Parade, the Autumn Band Review, and the California Band Review. The Drum Corps alone received a first at the Southwestern Jr. College Cadence Competition. The band was a participant in the non-competitive Bonita Vista Field Show Tournament and Fiesta de las Luna Parade. As a spirit promoter the band enhanced many school activities with enthusiasm, variety, and excitement.

## Drill Team, Specialty Corps Performances Keep Audiences Spellbound

The members of these corps spent many hours practicing routines for halftimes and parades. Their work paid off with a successful season; second runner-ups in the Montclair Festival of Bands and taking fourth place in the Fallbrook Parade. In addition, they took a third place in the Chaffey College Field Show Tournament and participated in the Bonitafest and the Fiesta De La Luna Parades. The Barons hosted their own Bonita Vista Field Show Tournament at Southwestern College. The girls had added enthusiasm because of new drill team uniforms and letters.

Enthusiasm, pep, and dedication were all qualities of the Varsity cheerleaders. With a spirited Baron crowd behind them, this squad outyelled and outclassed every other school. Their presence at all sporting events proved a factor in each Baron victory. The eight girls (above) Kerry Jones, Brigitte Ray, (lower middle and continuing clockwise) Laurie Ostendorf, Dawn Watson, Ann Colegrove, Audrie Murray, Jan Williams, and Carol Casey will always remember the Rowdy Rooters, the ecstasy of winning, the great Baron teams, summer camp, long practices, and cheering with all their heart.

The five girls (opposite page, top) Maria Close, Beth Hammond, (this page, top) Kate Rau, (bottom) Daryl Walker, and Dolores Gonzales worked hard to make their year a success and to add spark to school activities.

## Peer Counseling Establishes New Outlet For Solving Everyday Problems

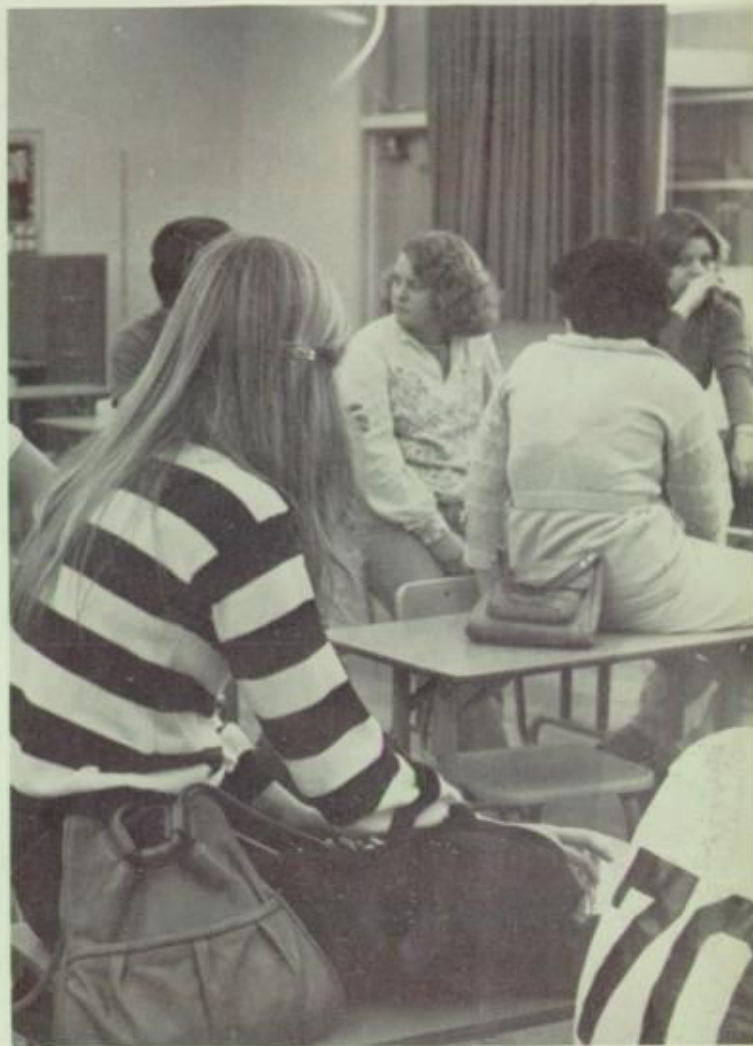

# PEER COUNSELING

Peer Counseling, under the direction of Mrs. Grouell, held many successful meetings to discuss problems and solutions together. The students gained insight into their problems, enriching their understanding of themselves and others. Some students involved in peer counseling traveled to Bonita Vista Junior High to advise and counsel the students there. It was a highly successful new counseling technique here at B.V. The program was rewarding- to the Peer Counselors themselves as well as to those looking for advice.

## Season Proves Disappointing; Barons Fall Short Of Goal

(Top row L-R) Tracey Dickson intercepts a Spartan pass for a Baron First down. Bob Bush out-distances an Aztec defender. Head coach Jan Chapmen stresses an important maneuver. Jeff Sechler rushes for a long gain. Baron defense swarms in on a rushing Islander. Mike Adkins dives for a Bonita touchdown.

The Bonita Vista Barons winning tradition was scarred this season, due to the inexperience of young players, but, the Bonita Vista Barons entered the 76 football season ready for action and hopeful of a strong record. With the cheerleaders and Rowdy Rooters spirit, pep and pride were high.

The fired up and determined Barons met up with the Montgomery Aztecs at Southwestern's field. Dale Henderson playing one of his best games, came up with 15 tackles, tying a Baron record. The Barons pulled in front of the Aztecs and remained strong for a great part of the game. The game ended on a highly emotional note, with both teams striving for the extra points needed. The Aztecs finished up the game with a last minute field goal, therefore dominating Baron control and taking the win.

The Barons faced Arch rival Hilltop the following week, ready to conquer the Lancers and capture their first victory. The game went steady and proved to be a relatively easy win for the Barons, outscoring the Lancers 16-0. Robert Ferguson and Mark Stevens led in offense, with Ferguson catching four of Mark's passes leading to the two touchdowns needed to grasp the victory.

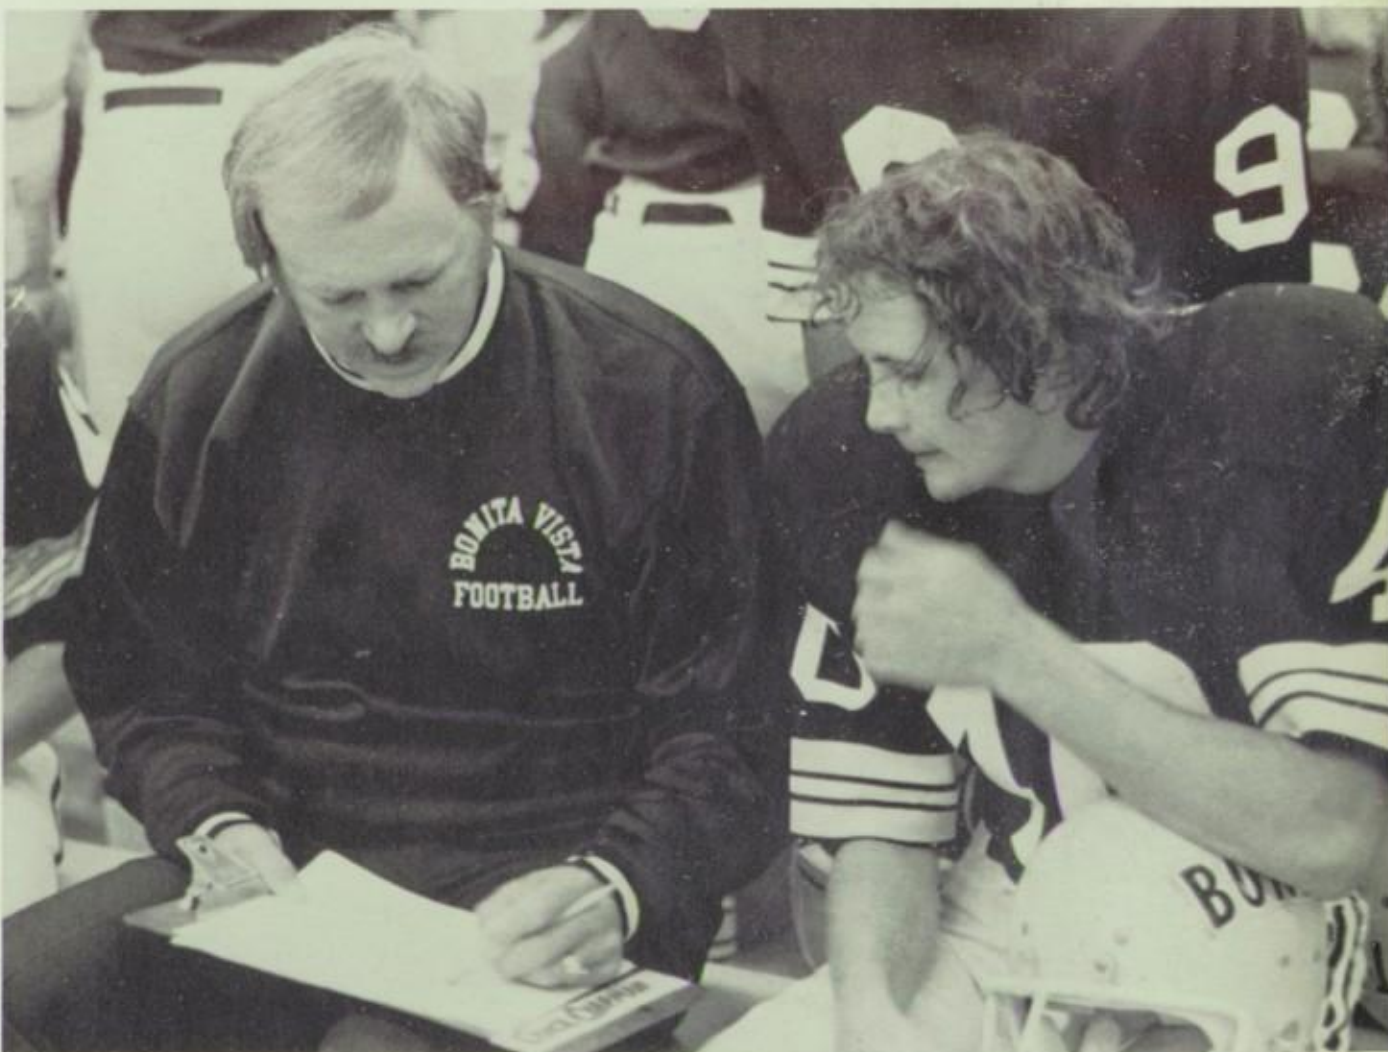

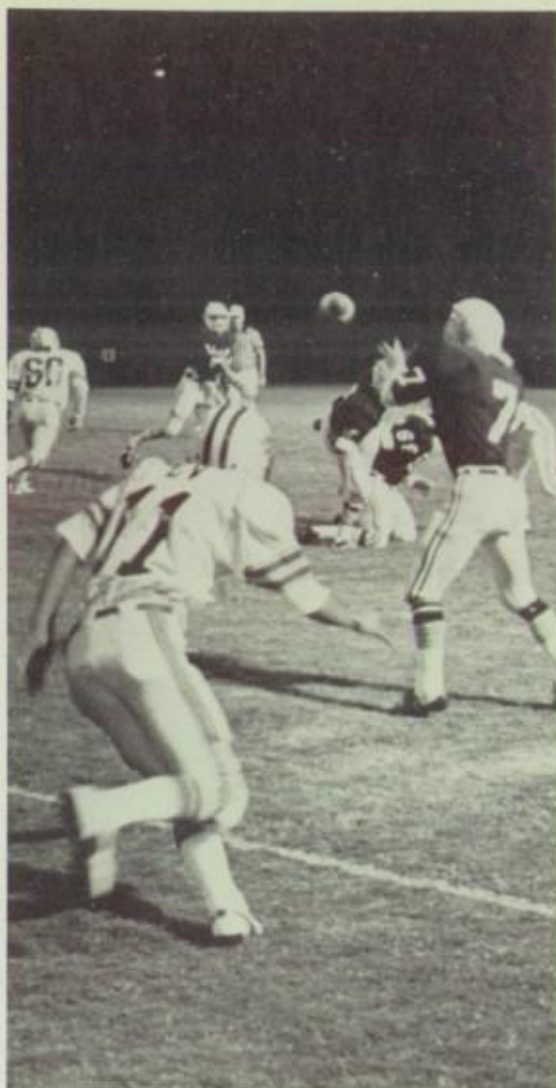

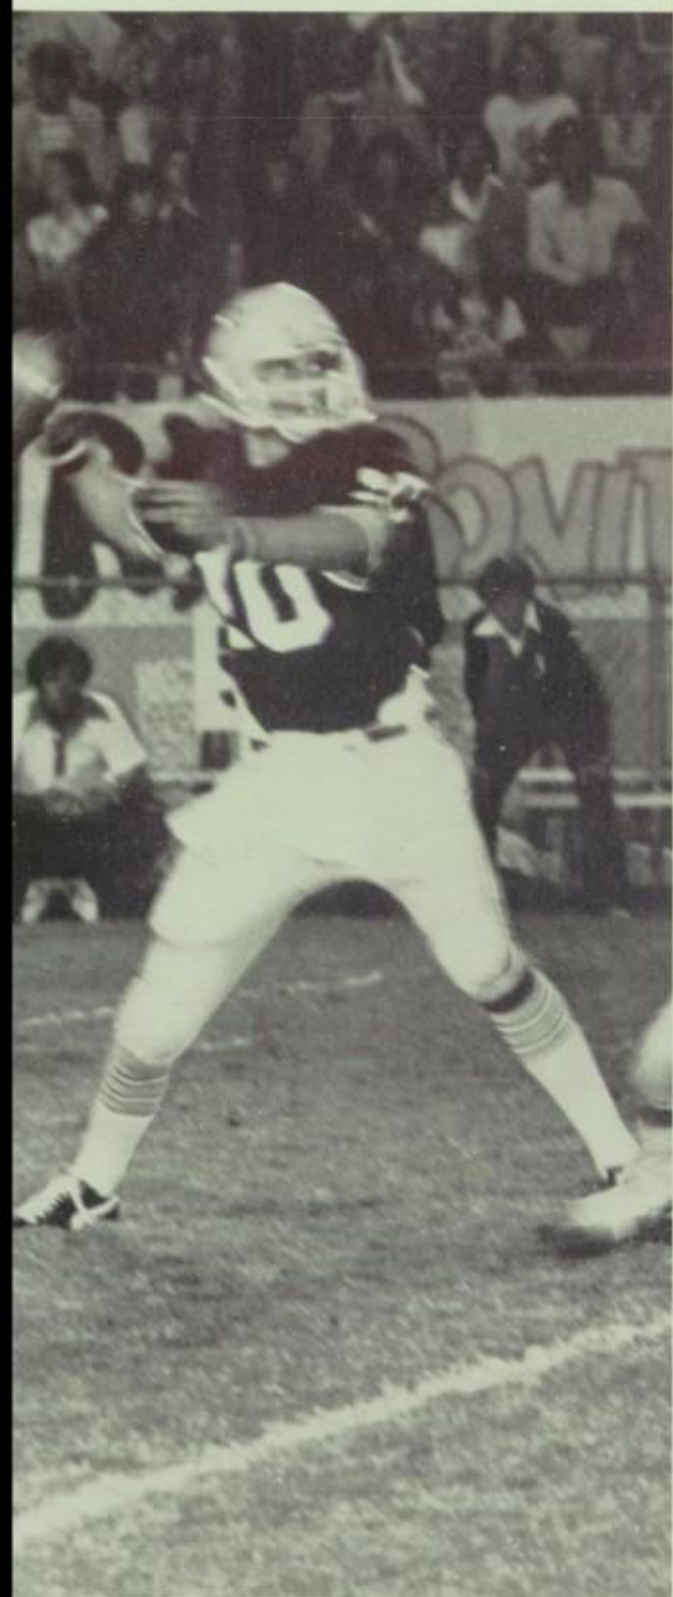

The Barons were faced with hard luck against the Chula Vista Spartans. Mark Stevens rushed 35 yards for the first touchdown, while Jeff Sechler scored on a 5 yard burst up the middle. The defense led by John MacCaulay, Dale Henderson and Tim Kanaski worked together to rough up the Spartans. Unfortunately, the Barons fell apart in the second half, with Bonita's 12 points short of the Spartans 33.

# Barons' Hopes Shattered As Season Progresses

The Baron team went up against Sweetwater, aware that the Devils were pulling ahead in the Metro League. Sweetwaters' defense was tops in the county and seemed to have it together against Bonita. The Baron offense was flat, and against the Sweetwater defense they couldn't do a thing. Baron defense also wasn't executing its potential and the final 30-0 score was evidence of the Barons' disappointment.

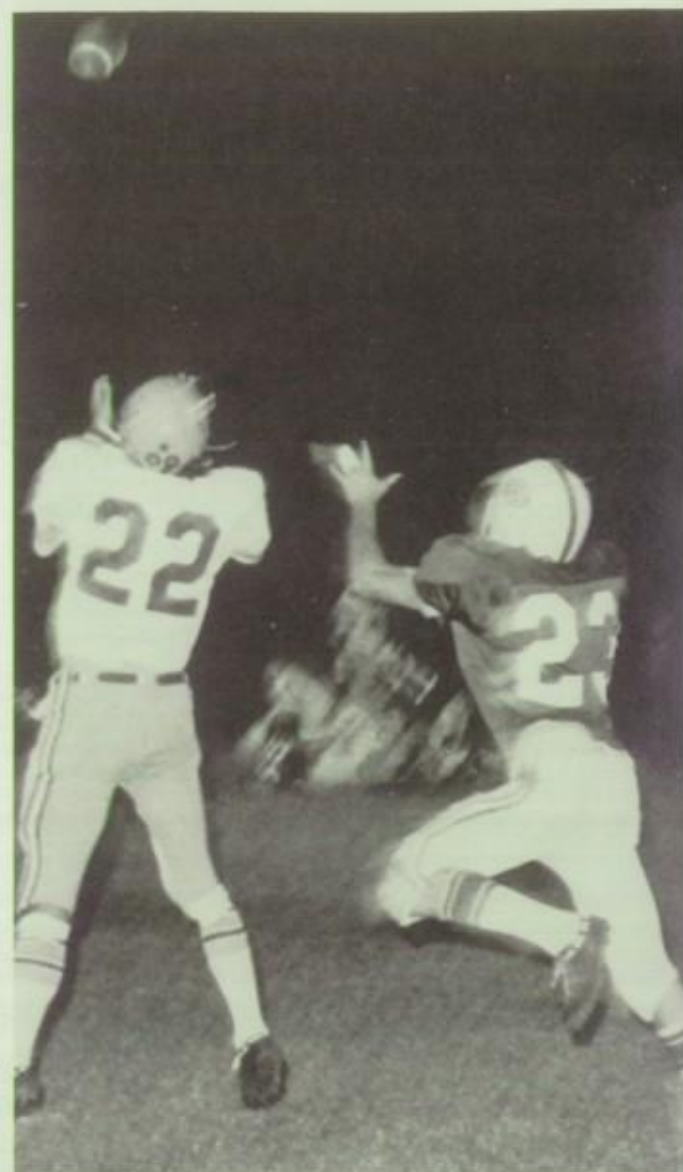

In the following game the Barons faced Marian with confidence and a positive attitude, only to be let down against the fired-up Crusaders. Conditions looked promising as the Barons moved to a touchdown early in the game, assuring the Barons of the lead. Later, in the last moments of the Marian game, the Crusaders moved to within field goal range and kicked the winning field goal to win 17-16. It was an emotional loss for the exhausted Barons and the Rowdy Rooter fans.

The Barons' usually big game with Castle Park was dampened by rain. The Baron team couldn't seem to get fired up for the game, with the Trojans scoring so many points in the first half. The Baron defense played exceptionally the second half and held them scoreless, but it was too late. The Trojans went on to a 20-0 victory.

Coach Wilson points out winning strategy (top left). Baron offense prepares to take the ball down field (middle left). John Glenn nails an Aztec (bottom left). Barons punish opponents (bottom right). Mark Stevens prepares to pass (bottom middle). Coach Fernandez goes over game plan with Jeff Sechler (bottom right). Richard Fredricks catches quick pass for an eight yard gain (top right). Stevens sweeps around end on a keeper (top middle).

## Forfeit Pushes Barons To Winning Season

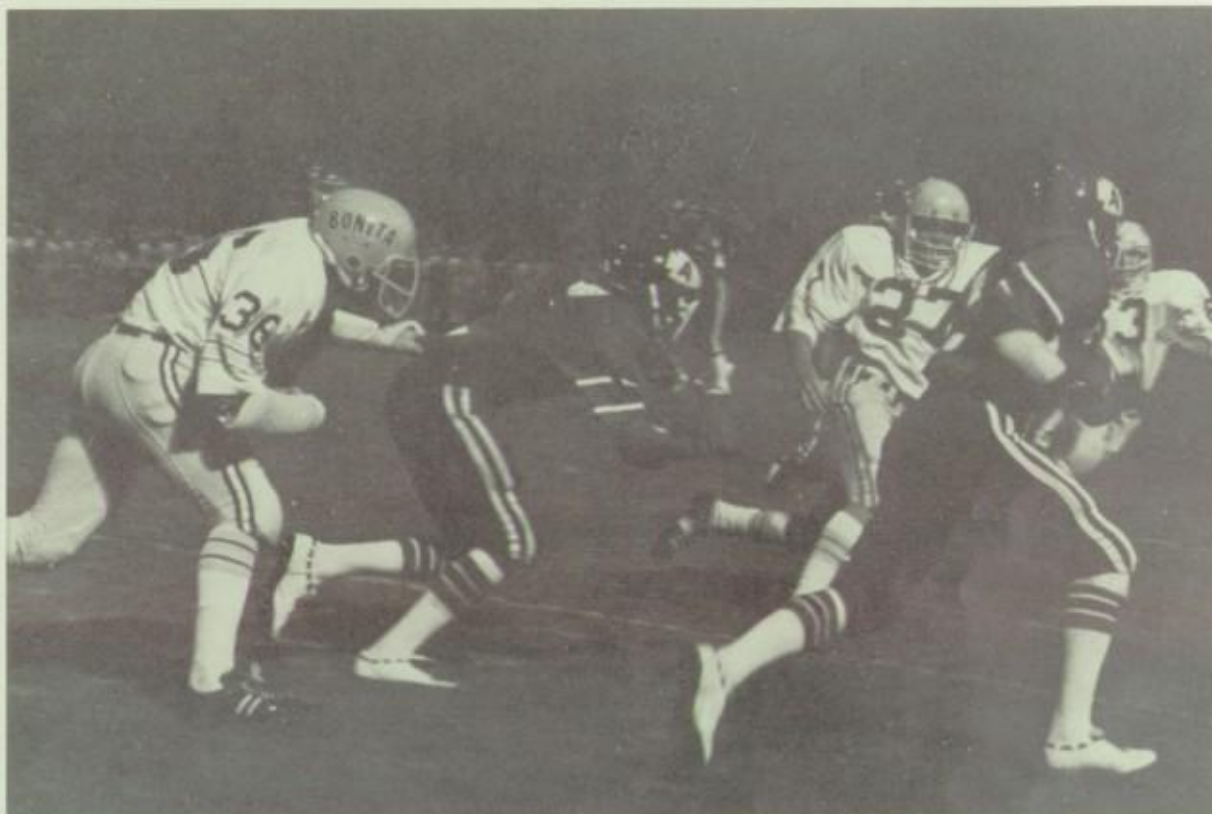

The Barons celebrated Homecoming with a victory over the Southwest Raiders the following week, taking advantage of Southwest's poor playing and lack of confidence. Offense was consistent and powerful, easily breaking through the Raider defense.

The Barons were next matched with Coronado, confident of a win. The first half was slow and never seemed to get off the ground for the Barons, yet in the second half Bonita moved forward to overtake the Islanders, 22-6.

The season came to a close with a

victory against the Mar Vista Mariners. The Barons who had improved greatly over the course of the season dominated both offensively and defensively, with the final score 14-3.

Although Bonita Vista showed some excellent talent and good football techniques, they failed to capture a CIF berth. Yet with the new knowledge of their expectations and necessary goals to work toward, the '77 season should be an improvement and lead to another future championship team.

(Opposite page Top Left L-r) Coach West talks to offensive line. Mike Watkins goes high to haul down a pass. Coach Johnson instructs Dale Henderson, Baron MVP. Defense tackles Trojan running back. (Bottom Row L-R) Jeff Sechler gains crucial yardage, Barons come out charged up after the half. Coach Rick Johnson discusses the finer points of football.

Baron cross country spent many hours pushing their bodies through tough workouts under the fine coaching of Ed Teagle. The team had a single disappointing loss to Hilltop which kept them one step away from capturing the cross country banner for the fourth year in a row. Jeff Ruland was a great inspiration to his team, breaking records in the many three mile courses in which he ran. His outstanding times enabled him to be a first place finisher in almost every race he ran in.

With Mr. Bob Welton as the new coach, the Barons will start working such promising athletes as Mike Jackson, Kevin Zarling, Bill Troino and Chris Taggart. Jeanine,

So how's things going with  
 you? Well things ~~are~~ going  
 pretty good for me. Sorry  
 that things ~~are~~ going bad  
 with you and I. We'll  
 probley get back some-  
 clay. It's been so long  
 sence I wrote you a  
 note or anything like that  
 so It's hard to think of  
 what to write. I hope  
 you'll have fun at Hilltop  
 next year. Maybe I'll see  
 you sometime this summer  
 but I may not be able  
 to get out there. So  
 how's skateboarding? Funny  
 huh? I hope my 11th  
 grade is better than this  
 year. Next year I'll probley  
 won't be able to see you  
 much but I'll try too. Well  
 to tell you the truth I  
 don't have anything more  
 to write so write to you  
 later

Love always  
 Richard

Jeanine  
It's been nice  
knowing you  
hope I'll see you  
in some of my  
classes  
year

Jeanine-

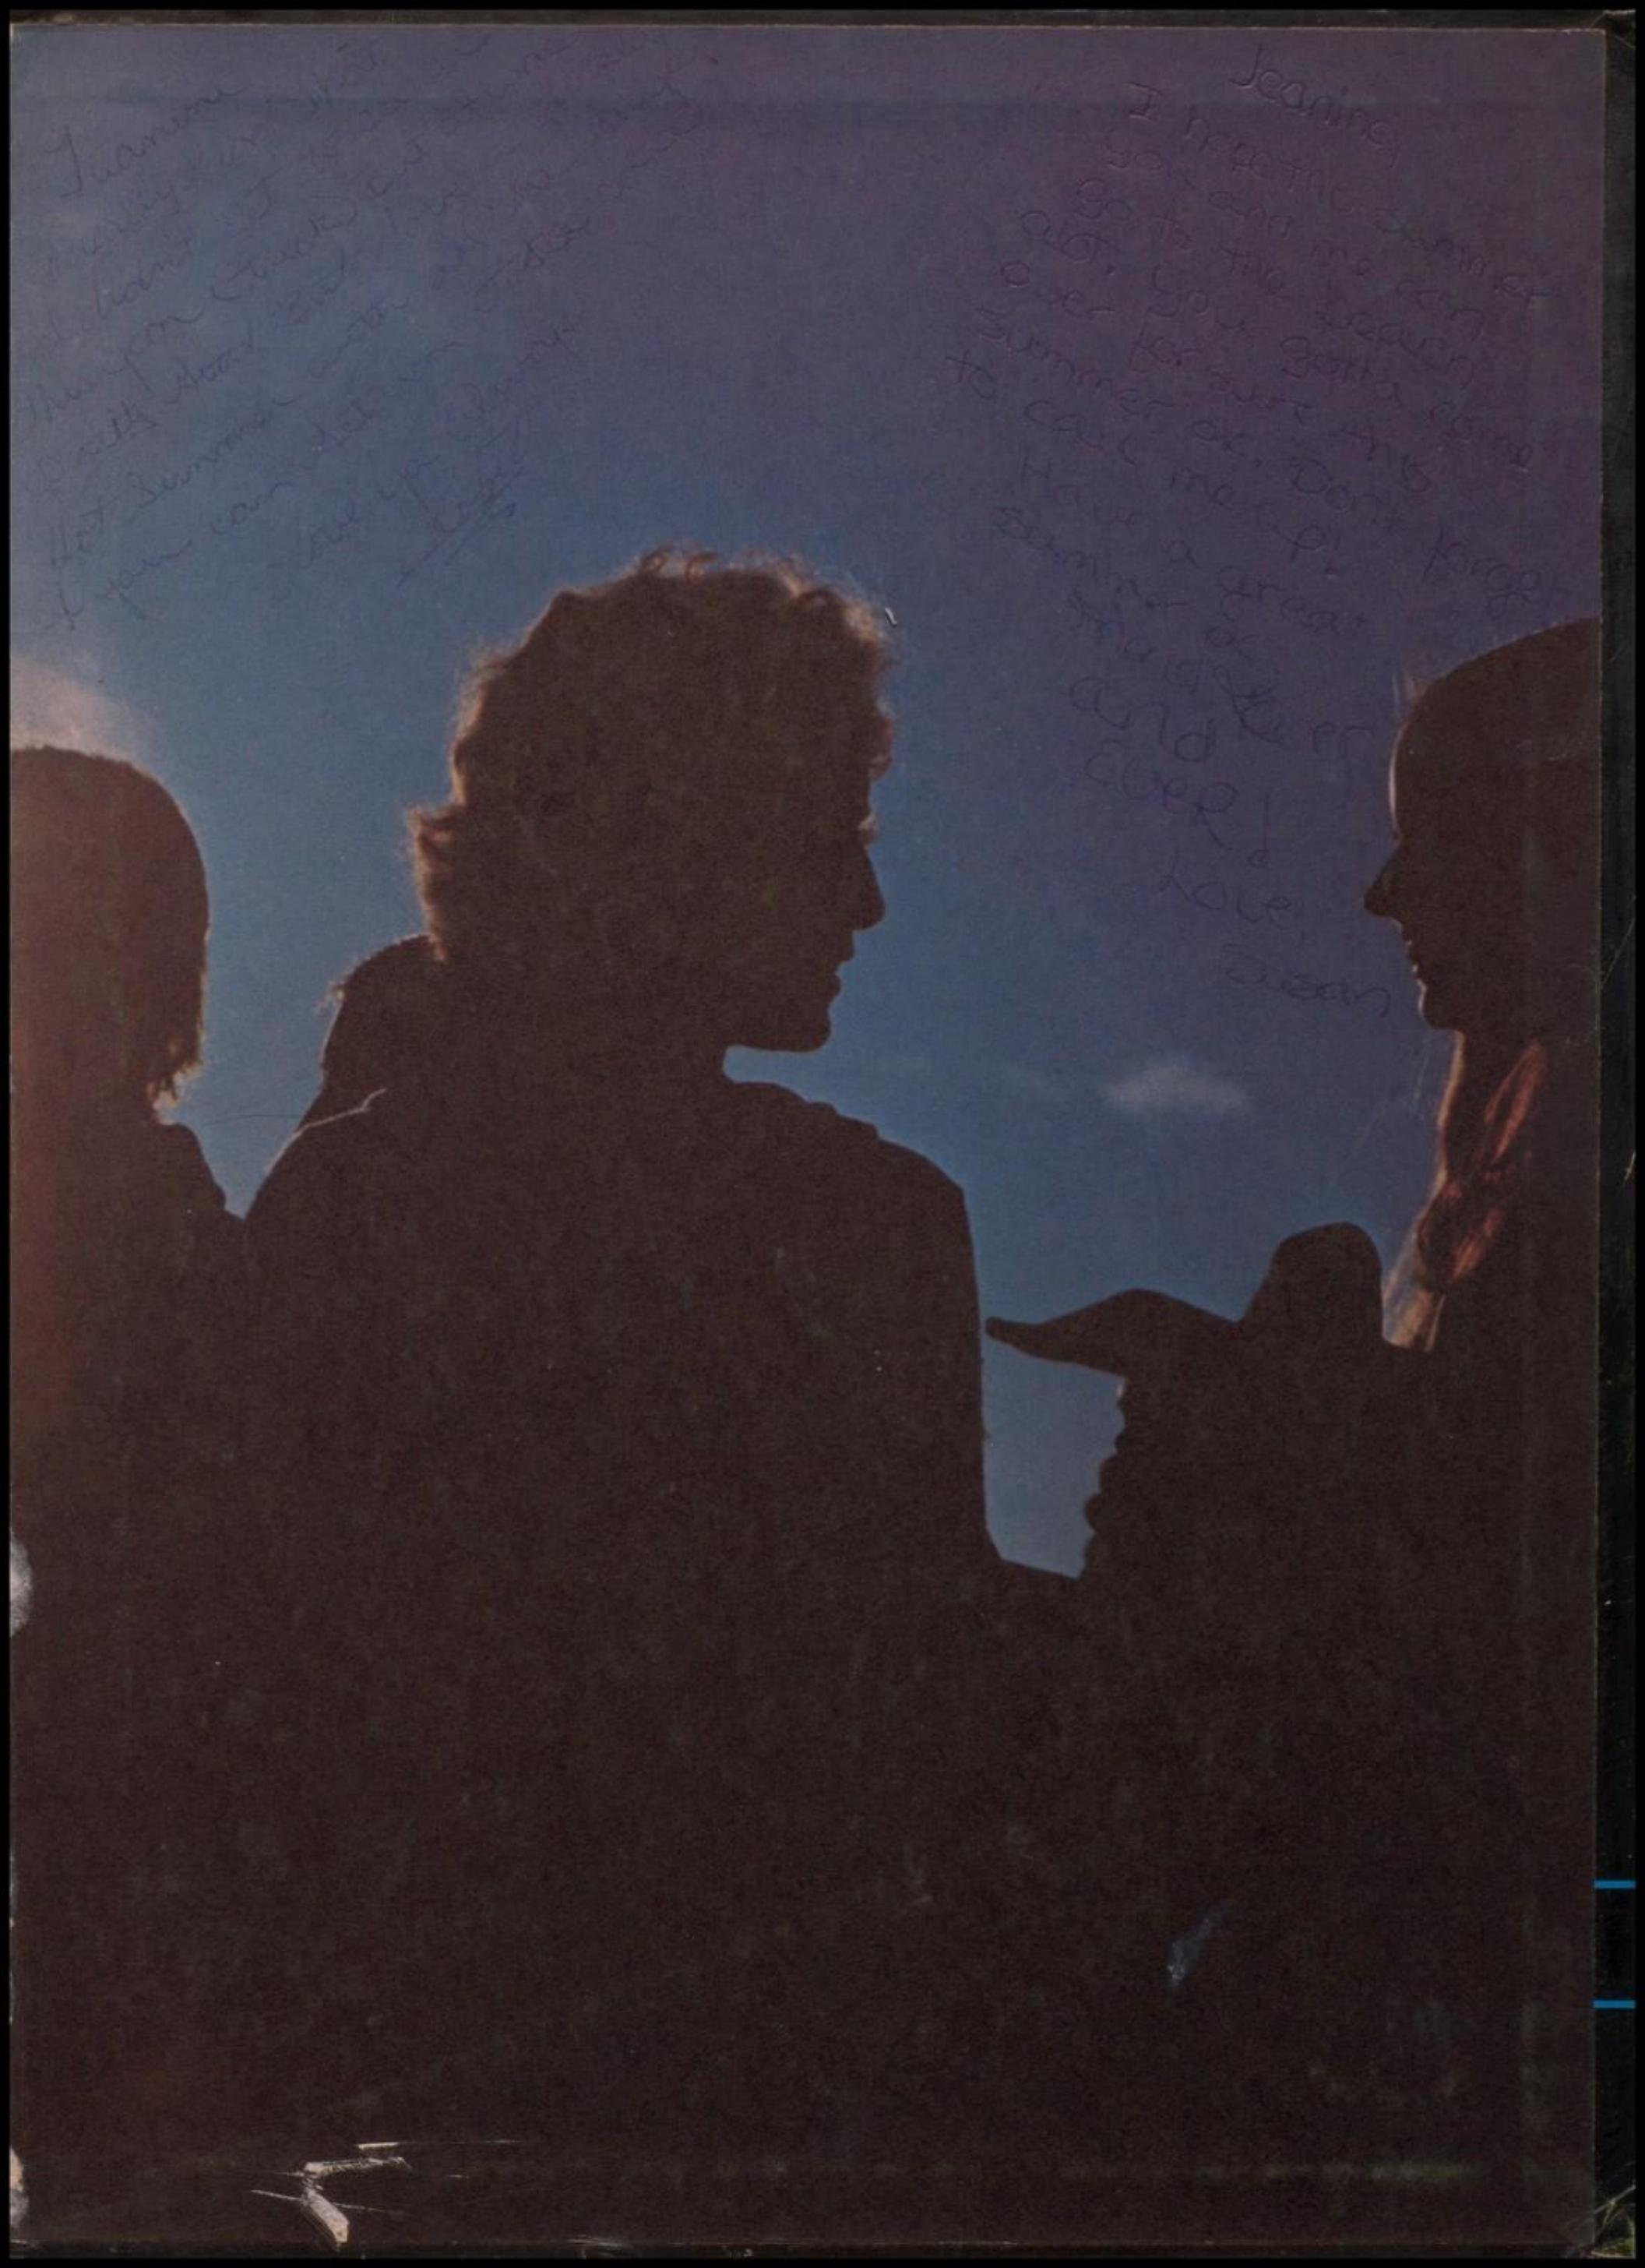

I'm really glad that we got to be  
better friends. You have such a  
great personality and are so cute. Our  
day was really a lot of fun. I hope  
we can be in some of the  
same classes next year.

Jeanine I really hope that  
you get a little bit taller. I hope  
Have a great summer and  
See ya around '77

LOV  
Susan  
Worley

JEANINE, It's been nice knowing  
you. You're a really, really nice  
girl and a sexy looking chick.  
One day we'll have to  
go out somewhere and  
do some partying.  
Have a nice summer  
and good luck. Love  
Susan

Juanita - I hope  
you're having a great  
time. I didn't see you  
when you checked out. I was  
with Aunt Bob. I was  
Hot Summer with a lot of  
fun. I can't wait to  
see you again.  
Love,  
Juanita

Jeanine,  
I hope the summer  
goes and we can  
go to the beach  
a lot. You gotta come  
over for sure. This  
summer ok. Don't  
forget to call me up!  
Have a great  
summer & see  
me later  
and ever  
ever!  
Love,  
Dean
